## Description

This tour encapsulates the best that the Cape has to offer, an awe-inspiring tour of the headland known as Cape Point. Magnificent beaches, breathtaking views, historic and picturesque coastal villages are to be seen along the way. The Cape Peninsula is one of the world's most scenic areas and stretches from the City centre to Cape Point. Enjoy a delightful drive which winds its way to the heart of the Cape Winelands, through superb mountain ranges, vineyards and Cape Dutch homesteads.

We travel along the Atlantic Seaboard via Sea Point, Clifton and Camps Bay, stopping at a Llandudno look-out point before continuing to Hout Bay, a quaint village and fishing harbour with magnificent mountain views and beach. Optional: Seal Island boat trip (seasonal, weather permitting - not included in cost). On through Chapman's Peak, one of the world's most breathtaking coastal drives, to Cape Point and the Good Hope Nature Reserve, which has magnificent fynbos vegetation, birdlife, endemic antelope species and zebra, historic lighthouses and shipwrecks. Cape Point is perceived to be the meeting point of the Atlantic and Indian Oceans.

We go on to historic Simon's Town, a village with charming Victorian architecture, a naval base and a large penguin colony at the beautiful Boulders Beach. Enjoy a light lunch at a nearby restaurant (not included in cost).

Our next stop is Stellenbosch, the heart of the South African wine industry, boasting great beauty and culture that is steeped in South African history. Walk down the canal-lined avenues, in the shade of giant oak trees and beautifully preserved historic buildings. Coffee shops, galleries, antique shops and wine bars spill onto the sidewalks. An air of quiet intellectualism and wine-making history abounds in this university town. With the sheer vastness of wine estates on offer, we are truly spoilt for choice when we enjoy a cellar tour and wine tasting in Stellenbosch. We return to the bustle of city life after an enthralling day in the countryside, arriving back at the hotels at approximately 17:30.

## **Sea Point Promenade**

A visit to Seapoint is not complete without a walk along the stunning seaside promenade. The promenade is frequented by walkers and skaters alike – a sunset jog is a fantastic idea. Cape Town is characterized by its stunning sea views and Seapoint provides the perfect vantage point.

## **Clifton Beach**

A series of four idyllic beaches separated by massive granite boulders. Clifton is protected from the wind by the mountains and is the best place to be when the Cape's notorious South Easter is blowing.

## **Camps Bay**

Camps Bay is a wealthy coastal suburb located just ten minutes from the city bowl. Set on the slopes of Table Mountain, it overlooks a series of beautiful sandy bays and the Atlantic Ocean beyond. Camps Bay is home to Cape Town's most glamorous beach.

## **Hout Bay**

The originally small fishing village of Hout Bay is now a popular suburb of Cape Town. Over and above being a lovely family beach, it has many tourist attractions which include the World of Birds, a township tour to the vibrant Imizamo Yethu, arts and crafts, boat rides out to Seal Island and some great, casual restaurants where you can relax and enjoy the surroundings.

## **Chapman's Peak**

Chapman's Peak Drive winds its way between Noordhoek and Hout Bay. Situated on the Atlantic Coast, at the south-western tip of South Africa, it is one of the most spectacular marine drives anywhere in the world. The 9km route, with its 114 curves, skirts the rocky coastline of Chapman's Peak. The drive offers stunning 180° views with many areas along the route where you can stop and take in the scenery or sit down for a relaxing picnic.

## **Cape Point Nature Reserve**

Cape Point lies at the south-western tip of Africa and offers great views, a restaurant and a funicular which takes you up to the old lighthouse. The spectacular scenery coupled with zebras, baboons, deserted beaches and plenty of fynbos to make this one of the Cape's must see destinations.

## **Boulders Beach**

Boulders Beach in Simon's Town is ideal for kids as immense boulders shelter the cove from currents and large waves - but please always take care. It is a rare pleasure to swim with the penguins but don't touch or feed them. They might look cute and cuddly but their beaks are as sharp as razors and if they feel threatened they have no qualms about nipping the odd finger or nose.

## **Stellenbosch**

A blend of historical architecture, student life, epicurean delights and oak-lined avenues, Stellenbosch is a picturesque university town surrounded by mountains and vineyards. A walking tour of the town centre allows visitors to take in its beautifully preserved Cape Dutch and Victorian architecture, as well as the many enticing art galleries, craft shops, clothing boutiques and gift stores, while foodies may prefer indulging in mouth-watering cuisine and fine wines at one of the chic restaurants or buzzing bistros. Stellenbosch is also the ideal base from which to explore the renowned local wine route, boasting a high proportion of the country's leading wine estates.
